

FOOD SYSTEMS CARAVAN

5 COUNTRIES IN WEST AFRICA

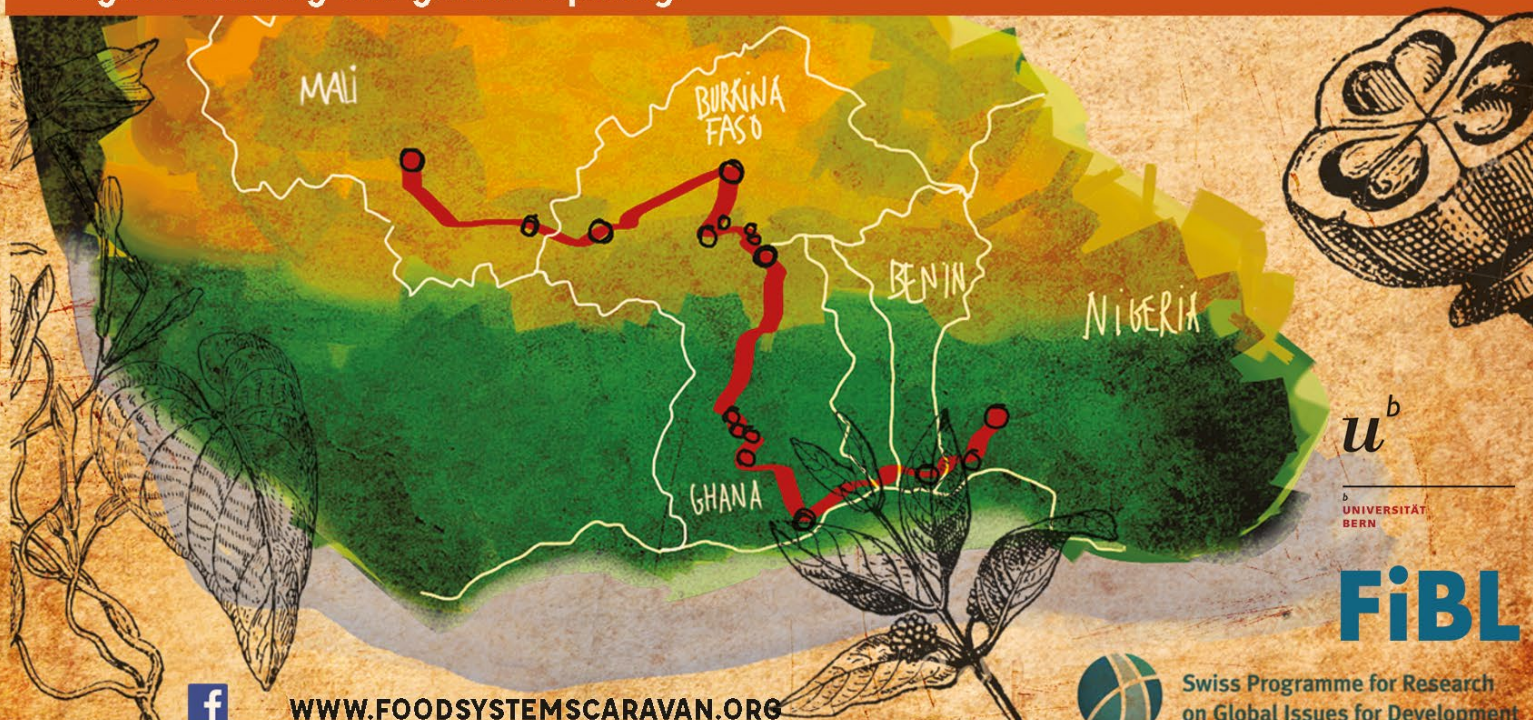

8 WEEKS OF CONFERENCES, SEMINARS, FARMERS' FIELD DAYS AND ACTIVITIES FOR STUDENTS AND NGOS

PROMOTING DIALOGUES ON AGROECOLOGY AND THE SUSTAINABILITY OF FOOD SYSTEMS

Bridging science and practice: discussing transdisciplinary and systemic solutions towards the sustainability of agricultural and food systems.

Producing a documentary film about the sustainability of food systems in West Africa

Linking different actors in local and regional networks, promoting knowledge exchanges on food systems sustainability including agroecology, agroforestry, organic farming and gender equality.
